RMPL LARGE LOTS AUCTION

Saturday, October 22, 2011

Introduction: Many donations received by the Library are difficult to strip down or, alternatively, sell as sole source items. That is because they are too time consuming for our volunteers or because of the absence of a market for specialty materials. Therefore, we began our “bulk lots/large lots” auctions of such donations in 2007. In this way, we ensure that the lots go to appreciative “homes.” The lots consist of cover accumulations, stamp collections, commemorative FDC collections or national accumulations. There are 170 lots in this year’s auction..

Date and Time: The auction will be held at the Rocky Mountain Philatelic Library on Saturday, October 22, 2011 beginning at 12:30 pm. We anticipate that it will close by 5:00 pm.

Viewing of Lots: Lots are on view at the RMPL meeting room, **beginning Monday, October 17th for the week.**

Format: The auction is a live auction with floor bidders, and mail bids received. Mail bids must arrive at the Library by 4:00 pm on Friday, October 21st, using the bid form found in this booklet or by e-mail. Where practicable, we have attempted to provide the face value of stamps and material in the lots, as well as estimated catalog or retail value of the material contained in the lot.

Procedures:

- O The highest bidder takes the lot at one advance over the next highest bid, as hammered down by either auctioneer Erl Fossum or Sergio Lugo.
- O An RMPL volunteer serves as agent bidder for all mail bids; he does not divulge mail bids to any one—other than in the actual process of bidding. He does not know who is the mail bidder, only the assigned mail bidder’s number.
- O If a mail bid is the only one for a lot and the mail bid exceeds the minimum bid, the lot shall be sold to the mail bidder at the minimum bid.
- O **Please Note:** Where multiple mail bids are received, the starting floor bid is the 2nd highest of all such mail bids. For example, a lot has a minimum bid of \$50; 6 mail bids are received, the two highest of which are \$75 and \$90. In the example, floor bidding starts at \$75.
- O In the case of ties between the highest floor bidder and a mail bidder, one advance over the highest floor bid will be permitted (with preference given to floor bidders).
- O In the case of a tie between mail bidders as the highest bids, preference is accorded the earliest received bid based on the postmark.
- O Unspecified amount “buy bids” will not be accepted. Because of the large lot/bulk lot nature of the auction, all sales are final with **no returns accepted** (unless the lot was mis-described)
- O Lots failing to draw the minimum bid will be withdrawn for future disposal/auction.
- O **Bidding Increments:**

Up to \$10.00	=	\$ 1.00
\$10 to \$30.00	=	\$ 2.00
\$30 to \$100.00	=	\$ 5.00
\$101 to \$300	=	\$10.00
\$301 to \$600	=	\$20.00
\$601+	=	\$50.00

Payment: Successful floor bidders are expected to settle their purchases immediately after the auction. All payments (cash, checks: sorry, no credit cards) are to made to the RMPL. Mail bidders are expected to settle their purchases (cash, checks, money orders, paypal, sorry, no credit cards) within 2 weeks. Please note that a successful bid is not a “charitable deduction” for income tax purposes, as goods and products are received in the auction.

There are no commissions assessed. However, the successful bidder is assessed a 4.4% sales tax on his/her successful cumulative bids. The sales tax does not apply to out-of-state bidders. Successful mail bidders will be notified of the total cost, including shipping/handling and paypal fees, if any. Shipping is via the USPS. To get an approximate idea of the cost of shipping and handling, calculate postage from zip code 80224 taking into account the number of boxes (most are bankers boxes of 10 to 20 lbs.) cited in the lot.

**We're looking for men and women who are philatelists or stamp collectors -
(they are not mutually exclusive) who are not members of the RMPL!
If you know such folks who could become members, suggest to them that they
look over the application on the website.**

We'll enjoy their company.

**We're also looking for front desk volunteers to staff 3 hour shifts
(1 to 4 pm) on Wednesday or Saturday afternoons.**

**Through the efforts of our front desk volunteers, we've been able
to keep the RMPL going 6 days a week for nearly fourteen years.
Front desk volunteers get to do an assortment of odd jobs, includ-
ing greeting members, greeting visitors, showing visitors the facili-
ties, answering the phones, and the list goes on and on. But the
most important job is that of controlling the Library and putting
forth the best possible image for the RMPL.**

**We're hoping that four members will step forward to volunteer
for these two shifts. Four volunteers would enable us to alternate
the weekly assignments on Wednesday and Saturday afternoons,
so that the most the volunteer would have to cover is 2 or 3 time
slots per month.**

**Please consider this need of the Library and contact either Don
Beuthel or Sergio Lugo at 303-759-9921, or
rmpl@qwestoffice.com. Don provides an hour to hour and a half
long orientation session for all volunteers.**
