RMPL BULK LOTS SALE

Saturday, SEPTEMBER 8, 2007

Introduction: While we appreciate our many donors and their gifts to the library, numbers of donations that we receive are inappropriate for stripping down or, alternatively, for sole source sale. That is because they are too time consuming for our volunteers to work with or because of the absence of a market for specialty materials. Therefore, we have embarked on a “bulk lot” auction of larger gifts. These bulk lots consist of cover accumulations, stamp collections, commemorative first day cover collections or national accumulations. Lots are ordered in the auction list as they were received.

Date and Time: The auction will be held at the Rocky Mountain Philatelic Library on Saturday, September 8th beginning at 5:00 pm. We anticipate that it will end by 7:00 pm.

Format: The auction will be a live auction, together with any mail bids received. Mail bids should be mailed to the Library for arrival before September 8th, using the bid form at the end of this booklet.

Viewing of Lots: The lots can be viewed at the Library the week before (and all day) Saturday, September 8th. Lots with photo illustrations are so noted in this catalog.

Procedures:

- The highest bidder takes the lot at one advance over the next highest bid.
- If a mail bid is the only bid and the bid exceeds the minimum bid, the lot shall be sold to the mail bidder at the minimum bid.
- In the case of ties between the highest floor bidder and a mail bidder, one advance over the highest floor bid will be permitted (with preference accorded to the floor bid).
- In the case of a tie between mail bidders as the highest bids, preference is accorded the earliest received bid based on postmark.

Unspecified amount “buy bids” will not be accepted. Because of the “bulk lots” nature of the auction, all sales are final with no returns accepted.

Lots failing to draw the minimum bid will be withdrawn for future disposal /auction.

Bidding Increments:	Up to \$24.99	=	\$ 1.00
	\$24.99 to \$49.99	=	\$ 2.00
	\$50 to \$99.99	=	\$ 5.00
	\$100 to \$499	=	\$10.00
	\$500+	=	\$20.00.

Payments: Successful floor bidders are expected to settle up their purchases immediately after the auction. All payments (cash, checks; sorry, no credit cards) are to be made to the RMPL, sorry no credit cards. Mail bidders are expected to settle up their purchases (cash, checks, money orders; sorry, no credit cards) within 2 weeks of the close of the auction.

There are no commissions assessed. However, the successful bidder is assessed a 4.4% sales tax on his/her successful, cumulative bids. Successful **mail** bidders will be notified of the total cost, including shipping/handling. Shipping is via the USPS. To get an **approximate** idea of the cost of shipping and handling costs, calculate postage from zip code 80224 (using the shipping weight shown with each lot) to your zip code on the USPS rate calculator found at <http://www.usps.gov>

65. **U.S.: RMPL Three PICKLE JARS:** The absolute best buy on the planet earth for bulk U.S. Stamps. For years, the RMPL has been amassing U.S. stamps in what we cryptically call the “pickle jars”. A number of them have been sold over the years. These are off paper U.S. stamps dumped into the jars because the time needed to sort them out by volunteers was considered too precious in light of demands on the volunteers. Seriously, these are among the best buys at the library because of their variety, quantity and quality. Testimonials to them have been: “The best buy I ever got, but still working on them 5 months later.” **Shipping weight = 11 lbs.**
